

Fire Safety Reward Program

Niskayuna Fire District No.1 • Niskayuna Fire District No.2 • Rexford Fire District

Hello Niskayuna CSD Student!

We are offering a reward program for any student who can get their family to practice a home escape plan and have an adult check the following on your smoke alarms and carbon monoxide alarms.

Home Escape Plan Checklist

- Practice get "low and go" from every room in your house.
- Practice with your whole family, especially an adult so everyone can be safe.
- Practice finding a second way out of every room if possible.
- Practice checking closed doors with the back of your hand for heat before opening and make sure to close doors behind you.
- Find a meeting place out front of your home where all your family will know to meet.

Smoke & Carbon Monoxide Alarms Checklist

- Smoke alarm on every level of the house and outside sleeping areas.
- Smoke alarm in every bedroom.
- Smoke alarm needs new battery every 6 months (if it has removable battery).
- Smoke alarm manufacture date on the back of unit is less than 10 years old. (Older than 10 year alarm should be replaced).
- Carbon monoxide alarm on every level of the house including outside of sleeping areas and inside utility rooms.
- Push test button on alarm every month to test. (unless system is monitored by an alarm company.)

*****Please practice your fire escape plan (map it out on back), check your smoke and CO alarms. Please have a parent sign this form and return to fire station below for prize:**
